Intellectual Property

The Site, its structure, content, text, images, graphics, logos, icons, videos, interfaces, databases, trademarks, and any other element comprising it are protected by applicable intellectual property rights.

Any reproduction, representation, modification, adaptation, distribution, extraction, or reuse, in whole or in part, of the Site or any of its elements, without the prior written authorization of Coinstancy, is prohibited, except as provided by law.

The Coinstancy brand, logos, and associated distinctive signs are operated by Blue Shadow Webdev SAS. Any unauthorized use is prohibited.

Liability

Coinstancy strives to ensure the accuracy and timeliness of the information published on the Site. However, this information is provided for general purposes and may be modified at any time. Coinstancy cannot guarantee the absence of errors, omissions, interruptions, temporary unavailability of the Site, or failure to update. The information available on the Site does not constitute personalized advice regarding crypto-assets, an individualized recommendation, a guarantee of return, or a capital guarantee.

The Site may contain links to third-party sites or services. Coinstancy has no control over these third-party sites and cannot be held responsible for their content, availability, security, or personal data practices.

Personal Data

The processing of personal data carried out in connection with the use of the Site and Coinstancy services is described in the Privacy Policy available on the Site. The user may exercise their rights by writing to the following address:compliance@coinstancy.com .

Cookies or trackers may also be used while browsing the Site. Their operation is described in the Cookie Policy available on the Site.

Regulatory Status

As of the date of this update to the legal notices, Coinstancy has not yet obtained authorization as a crypto-asset service provider under the MiCA regulation. Coinstancy is preparing its organizational structure, contractual documentation, and internal procedures in anticipation of applying for authorization or any other permits required by applicable regulations.

The services actually available are those described in the General Terms and Conditions and Special Terms and Conditions, the applicable contractual documentation, and the client interface.
